The Holiday Week Is A Popular Period With New Yorkers
In The Famous Winter Resort

ATLANTIC CITY

NEW JERSEY

From now on over New Year's, which falling on a Monday affords an excellent opportunity for a week end outing, Atlantic City will be the mecca for New Yorkers. The mild, equable climate, the numerous and diversity of its attractions, the cosmopolite features and its easy accessibility to all large metropolitan centres combine to make it America's greatest all year resort for health, pleasure and fashion.

ATLANTIC CITY during the Winter months now enjoys a large and select patronage. Gulf Stream, that great Southern body of water which flows directly off its coast, and its endless facilities for the sojourners' complete enjoyment. Seven miles of Boardwalk sixty feet wide, skirting the sea for its entire length, always well kept and free from snow, unsurpassed for promenading or the enjoyment of the roller chair. One of the best 18-hole golf courses in the country, where the devotees of the Scottish sport can always enjoy themselves, tournaments being held at frequent intervals during the Winter. A fast and speedy beach course for Riding, Driving and Automobiling. Elegant Telford Avenues throughout the city. The new Meadow Boulevard, which connects with the direct road from New York City, will be found the best in the East.

Sailing, Fishing and Gunning are popular pastimes. A public fleet of yachts on call, while game will be found in abundance. All kinds of health and strength giving sports.

THE salt air of the sea, with its beneficial qualities, is recommended throughout the world by leading physicians as Nature's best tonic for convalescents, and Atlantic City as the most desirable place to secure this tonic and recuperation. Hot and cold sea water baths are furnished all Winter in magnificently arranged bathing establishments, as well as in many of the hotels. A course of these baths is renowned for its marvellous beneficial results.

Social life during the Winter is of such a variety as to appeal to the most refined and exacting. The famous Steel Pier remains open all year. Haley's celebrated Washington Orchestra renders music morning, afternoon and evening—instrumental, vocal, promenade and dance concerts. Musicals attractions at the Casino, Theatres giving latest productions, and attractive social programmes have been arranged by the hotels.

Atlantic City's leading hotels are all that modern architecture evolves, with every comfort, luxury and convenience, and acknowledged the best to be found in any resort. Their high standards of metropolitan excellence have helped to make famous Atlantic City.
